ACMSS certifications are sought and earned across healthcare, achieving the highest distinction in the industry, certifying only those medical scribes who meet high educational, professional standing, and examination standards. ACMSS 'CMSS' personnel meets CMS audit compliance of the qualified clinical assistant personnel who may document in the EHR, per 2015 EHR Incentive compliance program.

ACMSS partners with the industry to employ high caliber **Certified Medical Scribe Specialists (CMSS)** or **Certified Medical Scribe Apprentice (CMSA)**.

ACMSS develops, maintains, and represents the highest professional **quality** of medical scribes in the industry for medical record documentation throughout healthcare.

ACMSS, a 501(c)(6) non-profit organization, is devoted to advancing the education, proficiency and professional standing of medical scribes. We are the only governing body charged with upholding the **standards of excellence** for accreditation, training, and evaluation.

Bringing Precision Medicine to Life!

ACMSS Mission Statement

ACMSS protects the integrity, quality, and efficacy of clinical documentation **standards** and **education** for Certified Medical Scribe Specialists (CMSS), and Certified Medical Scribe Apprentice (CMSA), creating **real-time, onsite efficiencies** for clinical care providers at the point of care.
